The information presented in columns 1 through 3 as well as the related descriptions of the per pupil cost calculations are contained in the Taxpayers Guide to Education Spending and can be found on the Department of Education website: <http://www.state.nj.us/education/guide/>. This publication is also available in the board office and public libraries. The same calculations were performed using the 2017-18 revised appropriations and the 2018-19 budgeted appropriations presented in this advertised budget. Total Budgetary Comparative Per Pupil Cost is defined as current expense exclusive of tuition expenditures, transportation, residential costs, and judgments against the school district. For all years it also includes the restricted entitlement aids. With the exception of Total Equipment Cost, each of the other per pupil cost calculations presented is a component of the total comparative per pupil cost, although all components are not shown.

The complete budget will be on file and open to examination at the main office of the Belhaven Middle School building, 51 Belhaven Ave, Linwood, Atlantic County New Jersey between the hours of 8:30 AM and 3:30 PM Monday through Friday, excluding holidays.

The school district has proposed programs and services in addition to the New Jersey Student Learning Standards adopted by the State Board of Education.
