

BELHAVEN BLITZ

September 2022

Happy New School Year 2022-2023

We are so excited to usher in a new school year at Belhaven! Much preparation took place over the summer to ensure a smooth start. From curriculum and schedule planning, orientation, and leadership camp, to creating an immaculate building and grounds our Belhaven Staff did a fantastic job creating a foundation for a great year.

We kicked off the year with some Belhaven traditions including the fifth-grade red carpet, pep rally, logo design contest, and Start with Hello Week. This year our focus continues on building relationships and creating a positive school climate while differentiating to meet the academic needs of ALL students.

September Students of the Month Starting Strong!

Students were selected this month who came to school not only ready to learn but also with a positive outlook to make this the best year ever. These students are hungry for knowledge and are always enthusiastic to learn something new.
