

BELHAVEN BLITZ

October 2022

Fall Festivities

October was a busy month! Teachers and students are delving into their studies. From science experiments, to learning about Diwali, to collaborating with peers to help improve their writing, students have been engaged and gaining important skills. Likewise, our teachers continue to learn as they work to enhance their instructional practices. Math teachers learned from each other this month as they observed their peers implementing practices from "Building Thinking Classrooms in Math."

Fifth-grade students are participating in the Unless Contest from the Philadelphia Zoo. Students will participate in a year-long project that empowers them to solve environmental issues. Our seventh-grade students learned about the dangers of vaping and how to build resiliency in a series of lessons from Atlantic Prevention Resource. Eighth graders had visits from our local public high schools as they begin to think about the next steps in their education.

Finally, we celebrated Week of Respect, Healthy Choices and had our first two advisories. We rounded out the month with the Halloween Social planned and carried out by Street Team student leaders!

Logo Contest Winners

We had over 14 entries in our logo design contest that asked students to create an original design depicting our theme. Congrats to our top three winners. You may see their design soon...

Congratulations to our Staffuly &

Superhero of the Month and Mr. Eissler LEF Honoree

Mrs. Baltozer was recognized by her colleagues as Staffuly of the Month for all she does for our students and staff.

Mrs. Cunniff was given the superhero shield for her positive outlook and honoring her peers. Finally, a special congrats to Mr. Eissler who is being recognized by the LEF.

Looking Forward to....

I think a hero
is any person
really intent
on making this
a better place
for all people.
